

GRAND TOUR BOLOGNA

Monday, March 3, 2025

At this year's eagerly awaited GRAND TOUR BOLOGNA, which was organized by our importer Vino & Design, many well-known colleagues from Germany were there with us again: Horst Sauer (Franconia), Dr. Loosen (Mosel), Fritz Haag (Mosel), J.J.Prüm (Mosel), Egon Müller (Saar), Maximin Grünhaus (Saar), Ökonomierat Rebholz (Palatinate), Künstler (Rheingau) and Dönnhoff (Nahe).

The participants had the opportunity to taste exquisite wines from the Vino & Design portfolio (from our range, various Rieslings & Pinot Noirs) and to exchange ideas with the winemakers. The atmosphere was characterized by passion for wine and culinary delights, which made the event an extraordinary experience. A big thank you to everyone involved for their support. We look forward to the next GRAND TOUR!
