
PRICE-PERFORMANCE WINNER PALATINATE

Wednesday, Nov 05, 2025

"Some of Germany's best producers tend to get ignored, simply because they've been making extraordinary wines for so long. Müller-Catoir in the Pfalz is a perfect example of this."

The **Müller-Catoir** Riesling Pfalz **Bürgergarten "Im Breumel"** GG 2024 at No. 9 is simultaneously delightful and exciting, sleek for this rather warm region but with spectacular depth and drive.

The interplay of Asian pear fruit, mandarin orange acidity and subtle minerality makes this a very delightful and exciting riesling GG. Great underplayed concentration and power. Although this is sleek on the medium-bodied palate, the drive and depth in the finish is spectacular."
