

RHEIN-NECKAR FERNSEHEN | WIR.HIER.DEHÄÄM

Episode 4: "To the grape harvest at the Müller-Catoir winery in Neustadt an der Weinstrasse"

Spend a whole day on a winery in bright sunshine in the Palatinate during grape harvest. Is there anything more beautiful? Barbara Zechel helps with the handpicking, drives the grapes home and also takes a walk through the venerable cellar vault. Is it haunted? Or what are these unusual noises? All right, cheers!
