

SOMMELIER SUMMIT SPRING: THE PALATINATE MEETS CALIFORNIA

Monday, May 11, 2026 | Haardt

Pfalz meets California – and the atmosphere matched the wines.

Yesterday's Sommelier Summit Spring at **Weingut Müller-Catoir** brought together international sommeliers, top winemakers from California, and a line-up that was simply a lot of fun.

Chardonnay & Pinot Noir side by side, alongside mature Rieslings from the Pfalz and VDP sparkling wines – precise, engaging, and discussed in a very relaxed way.

A great evening in Haardt. Thanks to everyone who joined.
